SHOT LIST

It's helpful for us to have a list of what family & group photos you'll want to be taken after the ceremony. Feel free to make changes but let's start with a plan!

LOCATION

After your ceremony you have a private couple shoot where you will visit a few of our favourite photo locations nearby. This can be weather dependant but we will try our best to fulfill your vision! Let's chat options to figure out what your vibe is: Lush forests, river and mountain backdrops, wildflower meadow, fun around camp...
